

Washbasin support column h 825 mm (32" 31/64)

ACER092\_+ACER096\_+AKIT094C

design Diego Vencato, Marco Merendi, 2018

Collection produced in Cementoskin® (coloured cement paste), resistant to any kind of dirt with a natural, velvety surface, available in different colours; the elements in the collection can be installed indoors and outdoors. The column which supports the washbasin is fitted with indents on the rear which allow customization of tap. The column and washbasin are fixed to the wall using the dedicated (AKIT094C). There is no free-standing version available.
