

NEW VOLUMES™

Élan Mirror

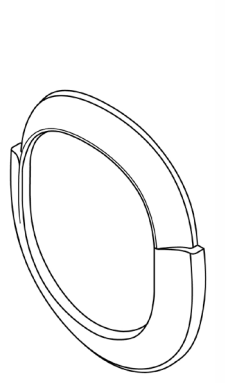

Élan Mirror c/o Thomas Coward

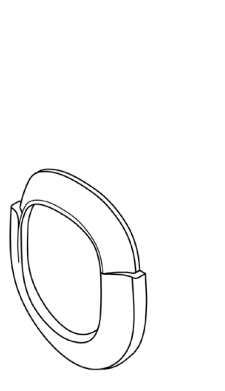

Élan captures movement suspended in frozen stillness, revealing terracotta's strength, warmth, and quiet fluidity.

Élan Mirrors are defined by wandering curves, subtle asymmetry, and twisting, undulating forms. Each piece appears to have been shaped by unseen forces, its contours evolving and unfolding through space. Élan captures movement suspended in frozen stillness, revealing terracotta's strength, warmth, and quiet fluidity.
